

WE URGENTLY NEED YOUR HELP

Supporting people with hearing loss
and related conditions

Please help us to purchase and convert a vehicle into a

Mobile Hearing Assessment & Ear Care Unit

Our current mobile unit is no longer reliable due to its age.

A new vehicle equipped with a new soundproof hearing booth will enable us to:

- Deliver services reliably in areas previously inaccessible due to environmental noise
 - Carry out hearing assessments and ear care in the community
 - Help more people across Norfolk

**So far you have
helped us raise
£83,853.65 of
our £145,346
target**
